Riaan Manser rose to prominence when he became the first person to cycle around the entire perimeter of Africa travelling 37,000 kilometres through 34 countries; some of which rank among the most dangerous places on Earth. In July 2009, Riaan completed his second great adventure, circumnavigating Madagascar by kayak alone and unaided – a gruelling 5000km around the world's 4<sup>th</sup> largest island.

Join us in September for the RIAAN MANSER GOLF DAYS to launch the NO FOOD FOR LAZY MAN Trust, an initiative to bring about positive social change for children by raising money to invest in sporting infrastructure and sporting equipment.

These two exclusive golf days will be held in both Johannesburg and Cape Town, with Riaan delivering one of his first presentations about his latest expedition around Madagascar. Come and enjoy a day out with VIP guests, expedition sponsors and supporters, and be regaled by Riaan's passionate and humorous tales, with brand new video material and photographs.

Loads of incredible prizes and give-aways will be up for grabs on the day.

Please send proof of payment to [bev@onshowsolutions.co.za](mailto:bev@onshowsolutions.co.za).
